Additional information [alsport.lahdenseutu\(at\)gmail.com](mailto:alsport.lahdenseutu(at)gmail.com)

Entries At the latest on 20th September 2024 on the competition website.
Competitors must have a competitor's license issued by the National Sporting Authority of their own country.

Competition Classes **B&D&HEV**, Cars to be filled, gasoline, diesel & hybrid.
(also, cng and phev cars without refueled gas or charged electricity)

Fuel & electricity **BEV**, Electric vehicles with no combustion engines.
All competitors pay for their own fuel or electricity.

Results The results for **cars to be fuelled** will be the number of litres by the pump + possible penalty percents. Lowest energy consumption will award the North European Fuelled Cars Championship. For scrutineering with a full fuel tank. **BEV-class** result is the figure of cars own instrument reading + penalties + mass compensation above and under 1600 kg. Lowest mass compensated consumption will award the North European BEV Championship.

Entry Fee **100,00 €** to be paid to Autoliiton Lahden seudun osasto / Bank OP IBAN: **FI16 5610 0740 1240 87**, BIC: OKOYFIHH. The entry fee must be paid by September 24th 2024. Entry fee includes a meal after the race for both drivers.

Route length Approximately 230 km on tarmac and gravel roads in Päijät-Häme area.
The route takes 25 min. break.

Route given By means of Road Book accompanied by a Route Map
